

This A50 cut-able strip is built with powerful LEDs of strip length 395mm or customized to specific lengths. The strip can be connected up and cut to desirable length according to scissor marks. The Strip comes with waterproof connectors and delivers high level of brightness and is ideally for illuminating large tubular areas.

- *Narrow variance of light color (nm), temperature (K) and light intensity*
- *Proven circuitry and reliable components retain light brightness and color uniformity over connected strips of long length*

Benefits

- *Strip length and wire length can be made to customer specifications*
- *Durable design of high light output for illuminating large tubular areas*
- *Fire-retardant resin helps resist fire hazard and unfavorable climatic factors*

Technical Specification

A50 LED Strip Cutaway™ SP395					
Color	White	Red	Green	Blue	Amber
No. of LED per strip	24 or to design				
Type of LED	5050 SMD				
Pitch	20mm or to design				
Size of stripe	395 X 12 X 2 mm				
Viewing angle	120° or to design				
Operating tempt @ 90% RH	-40°C to 65°C				
Rating	CE, RoHS, IP67				
Input Voltage	24V dc				
Power Consumption	3.6W	3.6W	3.6W	3.6W	3.6W
Light Intensity per Watt	80 lm	15 lm	50 lm	5 lm	14 lm
Product Warranty	3 years warranty against defective materials and workmanship				
Life expectancy	exceeds 50.000 hour				

Color Specification

Color:	White	Red	Green	Blue	Amber
Model Number	SPC50-395WW20 (Warm White) SPC50-395NW20 (Natural White) SPC50-395DW20 (Daylight White) SPC50-395CW20 (Cool White)	SPC50-395OR20	SPC50-395OG20	SPC50-395OB20	SPC50-395OA20
Color Tempt. / Wavelength	6000-6500K	620-630nm	525-530nm	470-475nm	603-608nm
